Certification

To whom it may concern:

Certification is not required to install or service any of our products. However, we recommend that installation be done by a qualified electrician and installed in accordance with the National Electrical Code.

Installation of this product will satisfy NEC 1999 paragraph 514-6 and NEC 2002, 2005, 2008 and 2011 paragraph 514.13 for the elimination of feedback in service station dispenser control wiring.
